

2016 SCV H.L. Hunley Award Presentation

The Lt. F.C. Frazier Camp 668 had the privilege of attending the Army JROTC Awards Ceremony on May 19, 2016 at Randleman High School and witnessing fine young ladies and gentlemen being recognized for their 2015-16 achievements.

Commander Ronald Lee Perdue & Lt. Commander Damon Webb were honored to present the Sons of Confederate Veterans *H.L. Hunley* Award to Cadet Corporal Tiffany R. Hart. She was recognized by her leaders for this prestigious award by demonstrating the core values of honor, courage, dedication as well as the commitment to her JROTC unit during the 2015-2016 academic school year.

These were the same values exhibited by the last crew of the H.L. Hunley who courageously made the commitment to honorably risk, and ultimately give their lives in defense of their country and the City of Charleston, after two crews had already suffered tremendous loss in previous training.

Our congratulations to Cadet Corp. Tiffany R. Hart for this esteemed recognition and to all the Cadets acknowledged with awards during the ceremony.

Our sincere appreciation to LTC Steve Smith and Sergeant Major Steve Jenkins for the invitation to present this award and especially for their efforts in teaching these young men and women core values.
